

Mounting Instructions for Graphic Design Alumni Exhibit

Measure your original artwork image area (don't forget margins on the artwork) and add 3" to three sides and 3-1/2" to the bottom. Attach the artwork to the board with StudioTac (red label) dry mount adhesive sheets. No glass needed. Mounted artwork will be attached to the gallery walls using velcro (supplied).

Mounting Artwork Worksheet

Mount your artwork, using StudioTac (Red package), onto SuperBlack Letramax Board. Your margins should be 3" larger than the artwork on each side except for the bottom which is 3.5" No glass needed. Mounted artwork will be attached to the gallery walls using velcro (supplied).
